## PROFILE SUMMARY

Versatile and results-driven professional with a dual degree in Computer Engineering and Marketing Management, blending technical expertise with creative vision. Skilled **UI/UX Designer**, **Software Developer**, and **Graphics Designer** with a strong foundation in designing user-centric digital experiences and building modern, scalable applications.

## WORK EXPERIENCE

**Phoenixopia Technology Solution** APR 2025 - PRESENT  
UI/UX Designer

- Design and prototype user-centered interfaces for web and mobile applications using tools like **Figma**, **Adobe XD**.
- Collaborate closely with developers, marketers, and product teams to ensure seamless user experiences and functional design implementation.
- Conduct user **research**, create **wireframes**, **prototypes**, and high-fidelity UI designs that align with business goals.

**Cabby Technology** July 2024 - Feb 2025  
UI/UX Designer & Full Stack Developer

- Led the end-to-end product design process: from wireframing and prototyping to final UI design using tools like **Figma**, **Adobe XD**, and **Illustrator**.
- Built and maintained scalable full-stack applications using technologies such as **React.js**, **Next.js**, **Node.js**, **Express**, and **PostgreSQL**.
- Designed and developed user-friendly web and mobile applications, combining intuitive UI/UX with robust backend functionality.

**Power Sports PLC** APR 2024 - JULY 2024  
Graphics Designer & Social Media Manager

- Created visually appealing graphics for digital platforms, including **logos**, **banners**, **infographics**, and promotional content using **Adobe Illustrator** and **Canva**.
- Managed and grew social media presence on Facebook, Instagram, and LinkedIn through strategic content and branding.
